Lynda Howitt "Wind Beneath My Wings"

Starts in 6 days
At [Jadite Galleries](#)
Media: [Painting](#)

At the heart of each of Howitt's abstract creations is a deep appreciation of her environment. Growing up in the midst of Australia's famous beach culture, Lynda's work captures the many moods and colors of the sea and sky. 'Wind Beneath My Wings' is inspired by Bette Midler's heart wrenching ballad of the same name. "Midler's lyrics carry you into your inner thoughts and feelings", says Howitt, "The listener is moved to a new depth of feeling, diving within and

soaring high above is the music rises and falls. I aim to create the same experience for those who view my work."
